**2006 ANNUAL CODE ADOPTION CYCLE
TITLE 24, PART 1 - EXISTING vs PROPOSED CODE LANGUAGE COMPARISON**

EXISTING 2001 CA BUILDING STANDARDS ADMINISTRATIVE CODE	2006 CALIFORNIA BUILDING STANDARDS ADMINISTRATIVE CODE WITH CA AMENDMENTS	COMMENTS
<i>CHAPTER 5 ACCESS TO PUBLIC BUILDINGS BY PERSONS WITH DISABILITIES</i>	<i>CHAPTER 5 ACCESS TO PUBLIC BUILDINGS BY PERSONS WITH DISABILITIES</i>	
<i>Article 1 Compliance Procedures</i> <i>5-101. Purpose. These regulations implement Sections 4450 et seq. of the Government Code to ensure that where state funds are utilized for the construction or alteration of any public building or facility or where the funds of counties, municipalities, or other political subdivisions are utilized for the construction or alteration of elementary, secondary or community college buildings and facilities that the plans and specifications for such buildings and facilities are reviewed by the Division of the State Architect, Office of Regulation Services (DSA/ORS) and certified to be in compliance with the "Access to Public Buildings by Physically Handicapped Persons Law" prior to a contract being awarded.</i>	<i>Article 1 Compliance Procedures</i> <i>5-101. Purpose. These regulations implement Sections 4450 et seq. of the Government Code to ensure that where state funds are utilized for the construction or alteration of any public building or facility or where the funds of counties, municipalities, or other political subdivisions are utilized for the construction or alteration of elementary, secondary or community college buildings and facilities that the plans and specifications for such buildings and facilities are reviewed by the Division of the State Architect, Office of Regulation Services (DSA/ORS) and certified to be in compliance with the "Access to Public Buildings by Physically Handicapped Persons Law" <u>California law requiring access for persons with disabilities</u> prior to a contract being awarded.</i>	SUPPORT
<i>5-102. General. For the purpose of assuring compliance with handicapped design requirements the governmental agency controlling the appropriation from which the project is funded shall submit an application, together with plans and full, complete, and accurate specifications and filing fee, to the State Architect. The DSA/ORS will process the documents. Written approval shall be obtained prior to award of a construction contract.</i>	<i>5-102. General. For the purpose of assuring compliance with handicapped design requirements <u>minimum requirements for accessibility by persons with disabilities</u>, the governmental agency controlling the appropriation from which the project is funded shall submit an application, together with plans and full, complete, and accurate specifications and filing fee, to the State Architect. The DSA/ORS will process the documents. Written approval shall be obtained prior to award of a construction contract.</i>	SUPPORT
<i>5-103. Application. For each project to be reviewed and certified, a separate application (Form No. ORS) shall be submitted to the DSA/ORS. The application shall be accompanied by a complete set of project plans and specifications and an appropriate filing fee (see Section 5-104).</i>	<i>5-103. Application.
